Entity Number: 128535
Date Form 470 Posted: 11/26/2001
Allowable Vendor Selection/Contract Date: 12/24/2001

Dear Applicant:

We are pleased to inform you that the Schools and Libraries Division received your FCC Form 470, "Description of Services Requested Form," complete with your signed certification. The posting date of this letter provides important information about the processing of your application. Please read this letter carefully and retain it for future reference.

The Form 470 Application Number listed above has been assigned to be used to track your Form 470. This number must be provided on the "Services Ordered and Certification Form," that cites this Form 470 Application Number. Any school or library who relies on this Form 470 will need to know this Form 470 Application Number. You may wish to share this number with those schools and/or libraries who are applying to assist them in their preparation of Form 471.

FCC rules require that requests for tariff or month-to-month services for new contractual services be posted on the SLD web site for at least 28 days before selecting a vendor, to provide for a competitive bidding process. Local laws may require a longer procurement cycle. This 28-day waiting period must occur before you may execute any contracts for contracted services with your vendor for tariff or month-to-month services, and before you submit your Form 471. In addition, if you are seeking support for the services delivered under a multi-year contract signed on or before the "Allowable Vendor Selection/Contract Date," you cannot process your Form 471 until the 28-day waiting period has expired.

The date that contracts can be executed for contracted services is the "Allowable Vendor Selection/Contract Date." This date is the date that contracts can be executed for contracted services.

For information about the filing window for FCC Form 471 for discounts on services to be rendered on or between July 1, 2002, and June 30, 2003, check the Schools and Libraries web site at <<http://www.sl.universalservice.org>>. Information about the filing window will be posted when it becomes available.

It is important to remember that not all requested services will necessarily be approved for discounts. Your FCC Form 471, the "Services Ordered and Certification Form" will be subject to review by the SLD for a determination of funding eligibility before funds are committed. (This review will consider all program rules including eligibility of discount recipients and the eligibility of services for which discounts are requested.) In addition, availability of funds will be a factor in funding decisions. Therefore, you should consider the possibility of a denial of funding or a level of funding below your request, and include appropriate contingencies in contracts for any or all of the requested services.

Thank you for your interest in the Schools and Libraries program. If you have any questions, please call the SLD Client Service Bureau at 1-888-203-8100.
